ABOUT US

- Power Edge Pro is the **leader in Small Area Reactive Hockey Training**. PEP delivers a patented unmatched elite training experience with an **unparalleled record of developing players**. PEP's innovative program is changing the way today's hockey players train.
- **Reactive Countering Training™** is critical to player development by initiating much earlier development of elite skills through "Progressional overloading" of the motor skills.
- PEP's expertise in teaching the proper firing sequence of muscle groups simultaneously has consistently helped players develop higher response times, **faster decision times and quicker skating speed** in situational play.

"THE PEP TRAINING METHODS USED BY CONNOR MCDAVID FOR OVER A DECADE ARE LITERALLY **CHANGING THE WAY WE APPROACH PLAYER DEVELOPMENT.**"

"Small Area-Reactive Countering is critical to player development and one of the best predictors of a player's small area game performance."

- **Joe Quinn** – President and Founder of Power Edge Pro (PEP)

JOE QUINN — PRESIDENT AND FOUNDER OF POWER EDGE PRO (PEP)

RECENTLY FEATURED AS ONE OF THE RECIPIENTS OF THE 'TOP 100 PEOPLE OF POWER AND INFLUENCE IN HOCKEY'

- As the **President and Founder of Power Edge Pro (PEP)**, Joe pioneered Reactive Countering Training™, creating the multi-patented Power Edge Pro Training System. The Power Edge Pro training methods are **transforming the way coaches and trainers approach player development**.
- Joe's training methods and unique teaching breakthroughs in player development have been adopted by the **NHL's Vancouver Canucks, Nashville Predators, Detroit Red Wings, Minnesota Wild and Columbus Blue Jackets; numerous CHL, NCAA teams and the U.S National Development Program.**

NICK QUINN — EXECUTIVE DIRECTOR OF POWER EDGE PRO (PEP)

PLAYED FOR THE **OSHAWA GENERALS OF THE OHL** (2010-2012)

- 21st Overall Pick in the **2008 OHL Draft**
- **Consultant for NHL organizations** and sports agencies, working with NHL players and 'top prospects'.

“Skills coach **Nick Quinn of Power Edge Pro (PEP)**. I don't want to pump their tires too much but PEP is probably hockey's leading skills consultancy. They work closely with many of the game's stars, including Connor McDavid, Taylor Hall, John Tavares, Mat Barzal and the Hughes brothers. **Quinn's focus is primarily with their prospects**, with clients that include top 2020 draftees Quinton Byfield, Cole Perfetti and Jamie Drysdale, as well as some potential future first overall picks in Shane Wright (2022), Connor Bedard (2023) and Adam Fantilli (2023).”

The Athletic – Aug 14, 2020

“POWER EDGE PRO IS SOMETHING I TRULY BELIEVE IN.”

“I started training with Power Edge Pro when I was 10 and the years of PEP Training circuits and unique repetitions have been a major advantage for me. To watch PEP evolve and see where it is today is amazing. It's truly the best trainer out there.”

PEP IS THE FUTURE OF PLAYER DEVELOPMENT

- Elite players don't just move from point A to point B with speed. They create space with speed and **manage the inches between two points.**
- No hockey company in the world has the testing capabilities like the **Intelligent R.C.T. Gear.**
- Our new testing methods identify and **develop elite talent.**

THE PEP INTELLIGENT REACTIVE COUNTERING™ TRAINING (R.C.T.) GEAR IS A MAJOR ADVANCEMENT IN HOCKEY TESTING.
